## IF AMPLIFIERS

## Introduction:

This manual is a supplement to the standard Receiver Instruction Manual. It contains a parts list, and a schematic diagram of the IF Amplifier(s) modules supplied with your Receiver.

Additional information on these modules is contained in the standard - Instruction Manual. This includes; Specifications, Section II; Theory of Operation, Section IV; Maintenance, Section V; and data required for parts procurement, Section VI.

|  | NOMENCLATURE OR DESCRIPTION | MFR | PÁRT NO. | QTY REQ |
