## IF AMPLIFIERS

Introduction:

This manual is a supplement to the SR-209 VHF/UHF Receiver Instruction Manual. It contains a parts list, and a schematic diagram of the IF Amplifier(s) modules supplied with your SR-209 VHF/UHF Receiver.

Additional information on these modules is contained in the SR -209 Instruction Manual. This includes; Specifications, Section II, Theory of Operation, Section IV, Maintenance, Section V and data required for parts procurement, Section VI.
